ŠKODA CAR CARE PROGRAM

Protect your car's pristine appearance and extend its life with proven, high-quality ŠKODA Genuine Accessories. All products undergo extensive laboratory testing and can ensure that your vehicle's exterior and interior are safeguarded against adverse weather conditions.

INTERIOR CARE

Car cosmetics from the ŠKODA Genuine Accessories line quickly remove all stains – making your car's interior fresh and clean once again.

Recommended products:

All in One Universal Cleaner

All in one – universal cleaner is a universal spray can for car interior cleaning. It removes dirt, nicotine residues and stains from glass, seat overlays and rubber and plastic components consistently.
000 096 301C

2-in-1 Display cleaner

Compact 2-in-1 cleaning agent with an in-built spray to effectively wipe and clean your car's display. Made with a special textile to make sure your glass stays shining and scratch-free.
000 096 311T

2-in-1 Refill pack

200 ml refill liquid for display cleaner. The refill bottle has an easy to use refill nozzle.
000 096 311AA

Dashboard Care

The Dashboard Care cleaning agent preserves and cleans the vehicle's interior plastic coverings and panels. Simply apply the emulsion treatment across the entire surface of the dashboard to re-establish colour and shine – while keeping dust, dirt, and water at bay.
000 096 307D

Leather Cleaner

Leather cleaner is an agent developed specially for cleaning and maintaining smoothed leather in all colour shades.
000 096 323G

Leather Treatment

This agent protects leather surfaces in all colour variations – ensuring they stay supple, clean, smooth and elastic while preventing premature bleaching.
000 096 323H

PAINT AND BODY CARE

Everyday use exposes your car's paint and body to unpredictable weather and many other potential threats. Give your vehicle the best defence with products from the ŠKODA Genuine Accessories line.

Recommended products:

Washing & Waxing Shampoo

Washing & Waxing Shampoo can deepen a vehicle's gloss, bring back its shine, and provide excellent long-term defence against dirt. Ideal for hand-washing, it supplies a comprehensive cleaning and preservation solution in a single bottle.
000 096 315C

Rubber Care Gel

Rubber care gel is an agent developed specially for maintenance of all car rubber components. It is used above all for maintaining all seals of windows, doors, etc.
000 096 310D

Wax Polish

An effective and efficient agent for protecting vehicle body paint, Wax Polish restores colour, gloss and shine to dull surfaces – while offering robust resistance to weather effects.
000 096 317D

WHEEL CARE

Keep your wheels in perfect shape – even in imperfect conditions. Accentuate your vehicle's elegant, sport-infused spirit with spotless, clean wheels.

Recommended product:

Wheel Rim Cleaning Gel

Rim cleaning gel is an intensive cleaning agent for removing standard dirt such as brake abrasion residues, pigment dirt, etc., which can be removed from wheel rim folds only with difficulties.
000 096 304C

Car cosmetic kit
Multi-purpose cosmetic care kit includes: All in One Universal Cleaner, Dashboard Care, Wheel Rim Cleaning Gel, Wax Polish.
With a wheel brush and cleaning cloth to keep your car gleaming – and preserve its colour. All items come in a handy textile bag for convenient on-the-go access.
000 096 356F

SEASONAL CARE SUMMER

Products from the ŠKODA Genuine Accessories line protect your car against the negative impacts of summer weather – keeping it clean inside and out.

Recommended products:

Screen Wash

Concentrate 1:100

Glass cleaning 1:100 concentrate is a highly effective agent to be filled in the windscreen washer tank. It removes dusty dirt, insect traces as well as greasy deposits without smudges during several seconds without any damage of body paint or plastic components of the car. 000 096 311E

Car Cosmetic Kit – for summer

the summer kit includes:

- > Wheel rim cleaning gel (500 ml)
- > Insect remover (500 ml)
- > Screen wash concentrate 1:100 concentrate (40 ml)
- > Sponge for insect removing

The benefit of the sponge consists above all in its composition / soft surface which will not damage car paint in any way and also a harder sponge core which can get to insect residues on the body and remove them reliably after depressing 000 096 356B

Original car care kit
000 096 356E

Insect remover

Insect removing agent is an effective agent for removing insect residues, pollen deposits or bird droppings from windows, body and plastic components of the car. 000 096 300C

ŠKODA Genuine Accessories are offered by ŠKODA as optional extras at additional charges. Colours, designs and materials may differ from those in the illustrations. Information such as specifications, appearance, performance, dimensions, weight, fuel consumption and operating costs relating to the illustrated vehicles and products is based on information available at the time of printing this document, and ŠKODA AUTO reserves the right to change these data. Correct rim and tyre size combinations are available in the Registration Certificate and/or from your dealer. When choosing snow-chains, make sure to follow the indication in your car's certificate of roadworthiness. Wheels depicted on the cars may not be part of the available range. Please contact your ŠKODA Partner for information as to which products are available and suitable for your model, what restrictions apply, the installation times required and costs. Subject to change without notice.

Vehicle parameters such as weight, rolling resistance and aerodynamics may vary depending on additional equipment and accessories (attachments, tyre sizes, etc.) and may, together with weather, traffic conditions and individual driving styles, affect fuel consumption, electricity consumption, CO₂ emissions and other performance parameters. ŠKODA Genuine Accessories are not used to determine consumption and emission levels, and can therefore only be fitted after the vehicle's first registration.
