FABIA
ACCESSORIES

ŠKODA
SIMPLY CLEVER

THE NEW FABIA. BALANCED MIX OF ELEGANCE AND PRACTICALITY.

With the arrival of its fourth generation, the ŠKODA FABIA has grown in every way and now offers customers more interior space and a much larger boot. This has also expanded its range of potential customers – no longer primarily a city car or a second car, the all-new FABIA can also play the role of a family's main car.

WHEELS

DID YOU KNOW...

... that all our wheels are subjected to rigorous ŠKODA homologation testing to prove their resistance to corrosion, weather and strain-stress? Moreover, alloy wheels are protected by a layer of heavy-duty coating.

CONNECTIVITY

MyŠKODA

ŠKODA CONNECT AND OTHER DIGITAL SERVICES IN YOUR POCKET

Driving your ŠKODA isn't just about driving. It's the functions, the features, and the personal touches that add up to a brilliant experience. It's the music you play on the way to your destination. It's the security of knowing that great support is never more than a few taps away. Your ŠKODA vehicle is your everyday companion – and thanks to MyŠKODA application you can go even further in interaction with your vehicle. Use the application to remotely check the status of the vehicle, lock or unlock it, or display its parking position. Benefit from statistical insights into your last trip, and use them to plan a more efficient route next time. It offers also insight to the vehicle manual, quick tips for using the vehicle and its accessories or possibility to interact with your preferred service partner, with a number of further functions just waiting to be explored. With MyŠKODA application in place, your car remains under your control at all times. The application is available for download on App Store (iOS) and Google Play (Android). ŠKODA Connect features are available based on ordered service bundle: Infotainment Online or Care Connect.

COMFORT & UTILITY

ALL-WEATHER MATS

Thanks to their practical smart design and material they perfectly protect the floor from mud, dirt and water. With these mats you will be able to enjoy your ride in the terrain with an easy conscience.

All-weather mat over tunnel
6VA 061 580

All-weather foot mats
6VB 061 500 | LHD
6VC 061 500 | RHD

TEXTILE MATS

Textile foot mats make the vehicle interior more comfortable, whilst also offering greater protection to the floor. The mats with no-slip surface capture dirt as well as moisture. They reduce the noise level inside the vehicle, thereby increasing the comfort of the driver when travelling.

Textile foot mats Prestige - double nubuck

COMFORT AND PRACTICALITY

The front and rear mud flaps protect the lower areas of the vehicle body from dirt and damage caused by stones and debris striking them. Mud flaps are useful especially in winter, when the corrosive salt that is spread on the roads generally sticks to the mud flaps rather than to the vehicle body.

Practical and stylish footrest ,“Lounge Step“ is completely in line with the interior design of your vehicle while increasing the travelling comfort of the user’s legs and feet.

PROTECTIVE DOOR SILL FOILS

Two piece protective foils perfectly follow the contours of the vehicle, are an original feature which protect the paintwork around the door sills from dirt.

LOADING EDGE PROTECTIVE FOIL

These foils fully comply with the requirements for protection of car body paint from mechanical damage. The practical transparent foil from quality polyurethane, bonded by a self-adhesive layer to the loading edge of the rear bumper, reliably protects the bumper from minor abrasions and scratches caused by loading and unloading of transported items.

PANORAMIC ROOF SUN SHADE

The panoramic roof is a popular feature that makes the interior light and airy. However, there are times when the car's occupants will appreciate something to block out the light from above – when the sun is beating down a bit too harshly, for example.

This is why ŠKODA Genuine Accessories offer a practical sun shade. And when it's not needed, it can simply be folded up and stored in a net under parcel shelf.

SAFETY

SAFETY IN THE FIRST PLACE

We care about you, your loved ones as well as your pets. Choose from the collection of safety accessories for the whole family.

Each type of child safety seat from the ŠKODA Genuine Accessories passes through a series of rigorous tests, including EuroNCAP crash tests and tests for flame resistance, content of harmful substances, wear resistance, and the quality of the coating.

EXPERIENCE

MyŠKODA App

Enjoy full control of your car. Download MyŠKODA and access all necessary features anytime, whether it's driving data, fuel range, planning a route or even where you last parked.

ŠKODA Genuine Accessories are offered by ŠKODA as optional extras at additional charges. Colours, designs and materials may differ from those in the illustrations. Information such as specifications, appearance, performance, dimensions, weight, fuel consumption and operating costs relating to the illustrated vehicles and products is based on information available at the time of printing this document, and ŠKODA AUTO reserves the right to change these data.

Correct rim and tyre size combinations are available in the Registration Certificate and/or from your dealer. When choosing snow-chains, make sure to follow the indication in your car's certificate of roadworthiness.

Wheels depicted on the cars may not be part of the available range.

Please contact your ŠKODA Partner for information as to which products are available and suitable for your model, what restrictions apply, the installation times required and costs. Subject to change without notice.

Vehicle parameters such as weight, rolling resistance and aerodynamics may vary depending on additional equipment and accessories (attachments, tyre sizes, etc.) and may, together with weather, traffic conditions and individual driving styles, affect fuel consumption, electricity consumption, CO₂ emissions and other performance parameters. ŠKODA Genuine Accessories are not used to determine consumption and emission levels, and can therefore only be fitted after the vehicle's first registration.
